

AMEN & FRIENDS

SUNDAY 1 Anita was curious to learn how we can become children of God. After we explained the Gospel to her and asked whether she would like to repent of her sins and accept Jesus as her Saviour and Lord, she said yes. We also explained that she should begin reading God's Word in order to grow in her faith. Our next conversation will be about finding the right church, but we did not want to push her yet since she currently attends an Orthodox church. Remember Anita, that God would continue working in her heart, helping her grow, and leading her to a church where she will be surrounded by born-again believers. Sasko & Ira, Serbia

MONDAY 2 Pray for a friend who has been taken into custody to be freed and the work restored, for truth to come out and those who have wrong and evil intentions exposed and dealt with. Ask the Lord who is Sovereign over all to turn this situation into something good for his glory. M.B.

TUESDAY 3 The trustees of AMEN work hard to keep all the administration work up to date including the requirements of the charity commission in the UK while communicating with 20 different partners around the world. The AMEN trustees: Chris & Sharon, Janet and Simon and those who work on the finances: John who does the accounts, plus Malcolm and Anne who claim the gift aid for AMEN.

WEDNESDAY 4 It is getting more and more necessary and urgent to have our own place and our own land where we can freely do the work we believe we are called to do. Those who are not sympathetic to our faith hinder us, limit us and raise their rent. We are hard pressed, but we want to persevere. Pray with us. R, South Asia; S & B, South Asia; N & S, South Asia; Zaldy & Ria, Philippines; Sasko & Ira, Serbia

THURSDAY 5 All they asked was that we should continue to remember the poor, the very thing I had been eager to do all along. Galatians 2:10. Even in the early church, caring for the poor was a central concern. Paul's eagerness to help the poor shows us that this should be a natural response to our faith. Today this includes remembering our persecuted brothers and sisters who face oppression and poverty because of their commitment to Christ. Stephen Potts, (AMEN friend based in Romania).

PRAYER UPDATE

FEBRUARY 2026

Sasko and Ira Bogeski are AMEN partners in Serbia with Elion Media ministry.

FRIDAY 6 Brother Nehemiah needs complete healing and recovery. Please remember him in prayer. R & P, South Asia

SATURDAY 7 This season has brought its share of challenges for our family. We've faced moments that tested our strength, patience, and faith. Yet through it all, the Lord has been faithful. He has provided in ways seen and unseen, given us peace in uncertain times, and reminded us that we are never walking alone. Jerome had his appendix removed; Sabahat has experienced asthmatic attacks. She spent time in the hospital last Christmas. We are grateful for His grace, for the love and support around us, and for the hope we carry forward as we continue trusting Him for what lies ahead. Please keep praying for the studies of our boys, Joshua, Jerome and Jonathan. Nasir, Pakistan

AMEN & FRIENDS

SUNDAY 8 Please pray that our meeting with Perica will take place soon. Ask the Lord to continue working in her heart and that she will come to know his Son, Jesus Christ as her Saviour. Sasko & Ira, Serbia

MONDAY 9 Hundreds of Christian Braille resources were given freely to blind schools in the north. Braille material is expensive to make, few publishers make them, so we have permission to give them to many schools in the north. Ask the Lord to open the eyes of unbelievers. There usually isn't much material for the children to read since it costs a lot to print and publish it in braille. We were honoured to provide hundreds of children with Christian resources that talk about the life of Jesus, and what the gospel is. We are praying that as we print these books, the children will meet Jesus through the pages, and trust in Him. Pray that these blind children would follow the Lord in a world that is already so difficult for them.

T & S, South Asia

TUESDAY 10 Please pray for our upcoming activities: Campus character building programme on February 14 & 28 and the month which includes a dental seminar and distribution of dental kits on the Feb 22 & 26.

Ria & Zaldy, Philippines

WEDNESDAY 11 We have been experiencing very low temperatures at night here in Romania where it has been plunging to -15°C which feels more like -19°C. Starting this month. I resigned from the job at the elderly centre because of major issues. Please pray for me and for my financial needs. I will now work only at Casa Vietii. Mia, Romania

THURSDAY 12 Give thanks and praise to God with us, He is doing exceedingly great things in VMM. Remember those new in our movement, some of whom have come from high positions in both secular and non secular organisations and companies. They have experience, good skills and talents. They have given up their privileges, positions and influence to be missionaries with us. They have heard the call. Remember them in their transition. S & E, South Asia

Sasko & Ira, Serbia

FRIDAY 13 Pray that the paper work associated with the transfer of ownership of the land to the church will be accomplished soon. We also need finances for building the church. Jerry & Gea, Philippines

SATURDAY 14 One thing Grace and Light desires in her wealth and poverty programme is to expose Christians to the financial principles of stewardship in God's Kingdom. Pray that our wealth and poverty teachings and workshops will help participants to become better stewards of God's resources. Tassie, Nigeria

SUNDAY 15 We have to schedule our sewing ladies to come only on certain days due to the very limited space we have in a rented room. The owner is not happy when he hears us singing. We are desperately crying to the Lord to provide a place of our own. There are 40 ladies at present and many come from other beliefs and faiths. These women have already seen something different, something beautiful about our Saviour and those who have crossed over testify to it. We want more saved souls. R, South Asia

AMEN & FRIENDS

MONDAY 16 Last month, Sonya shared with us that her son, 6-year-old Vladimir, started saying some words. Please pray with us for both Sonya and Vladimir, that God would reveal Himself to them powerfully and draw them to Himself.
Sasko & Ira, Serbia

TUESDAY 17 Please pray for financial provision to cover our travel expenses for visiting our mission fields, especially in the north. We also need a projector for showing the Jesus Film during outreaches. R & P, South Asia

WEDNESDAY 18 Give thanks to the Lord for kindly raising up people who have a big heart for Kingdom work, for the many unsung heroes who pray, give and volunteer in AMEN. Without the body of Christ, the charity will not progress, and our partners will not be able to proceed in the way they desire.

THURSDAY 19 I want to touch 100 lives this 2026 in a tangible way. It will be through agricultural means so please pray for help to come so I can fulfil this plan. Naphtali & Gladys, Nigeria

FRIDAY 20 Praise God for the following: 4 young people who were baptised; 50 children who participated in the kid's celebration; the first service and the family Christmas celebration in the simple structure we built in the new lot Grace Ministries has acquired; the successful churches' together event, a first in the island which we have called 'The family of Faith' and finally the 8 Khesed scholars now attending church regularly. We want to see continued growth of the church in both quality and quantity.

Jerry & Gea, Philippines

PRAAYER UPDATE

FEBRUARY 2026

Through FB Messenger, we communicate the Gospel to dozens of people, encouraging them to read the Bible, pray and surrender their lives to God.

Sasko & Ira, Serbia

SATURDAY 21 Some followers of Jesus are in great fear of those around them, the society and their own relatives if they would be seen entering the church, involving in prayer and even taking baptism. Our work involves reaching out to the majority people in our state. Ask the Holy Spirit to give our brothers and sisters understanding on how to be free from fear, to be strong in the Word, in prayer and fellowship. We want it to result in ministry growth even as we travel from village to village. S & B, South Asia

SUNDAY 22 We believe prayer changes things and giving out literature is only the beginning. We want to see many rise up in B state who will boldly proclaim the gospel, shepherd the lost sheep and make disciples. We hope that in 2026, the Lord will raise up many to weep for our country and the darkness millions of people are stuck in.

AMEN & FRIENDS

MONDAY 23 Through the 'Mesija' platform, we had five video campaigns online through which we gained over 457 new contacts. We shared the Gospel with many of them, and many were encouraged to draw closer to God. Pray for us, that God would give us wisdom to know how to continue our conversations with these people and the many more who keep writing to us.

Sasko & Ira, Serbia

TUESDAY 24 Strength and good health for the leaders of SIKATT is an item for prayer together with the needed finances for a retreat and a camp we are planning. We have great opportunities for evangelism inside the different High School campuses. We are optimistic this year that God will continue to open more doors for the expansion of His kingdom. Ria & Zaldy, Philippines

WEDNESDAY 25 The Lord has been guiding us, opening many doors in different places in the Philippines and even in India. We had been visiting AMEN partners and teaching the Word of God. Thank you for praying with us; we are thankful to God for answering your prayers on our behalf. On the final Sunday of this month, we will be in the UK in two Elim churches in York. Gareth & Malou, UK

THURSDAY 26 We want to praise the Lord for contacts, gifts of money towards food and fuel for the mission to be fulfilled and physical and spiritual food for the hungry. We need the Holy Spirit to heal the sick and traumatised and for those needing deliverance in the name of Jesus. My van was recently repaired but it broke down again; I was so depressed but I received prayer and began to feel better. I spoke to my neighbour for advice and he said let me have a look! After 2 hours, he had completely fixed it and refused to be paid, I said, 'thank you, you have been an answer to prayer'. Dave & Rodica, Romania/Ukraine

PRAYER UPDATE

FEBRUARY 2026

Sasko preaching in Centre Church, their local church in Belgrade

FRIDAY 27 We need church partners who will work with us in the slums of Cebu, partners who will be committed to the work of church planting. Pray also for anointing, provision and protection for all of us who are involved. Winston & Jannette, Philippines

SATURDAY 28 We could not openly celebrate Christmas last year because of 2 groups from the majority people entered some Christmas gatherings, broke decorations and stopped the meetings. However, we still met on 2 occasions in a home of a believer and at a relative's home where we were able to share the gospel to friends and neighbours. Those invited received generous hospitality of food and friendship. S & B, South Asia
