

## **Prayer Request from ELION Media, Serbia**

Dear brothers and sisters,

On February 28, 2026 we are organizing for the first time a national CBS (Community Bible Study) Youth Conference entitled **Encounter God #nofilter**

Our target group is young people from all over Serbia ages 15-28. Some of them are involved in CBS Bible studies, but the majority has probably just heard of CBS.

Our goal is to create not just another youth conference, but a space for authentic encounter with God through Scripture and community.

We want to awaken in every participant a love for the Bible—not as an obligation, but as a place where they can encounter the living God.

We want to encourage young people to seek truth in a world where they are constantly being served with lies. Our desire is to learn together how to think biblically in an increasingly complex world, and how to live out God's Word in everyday life—at school, at university, in the family, in friendships, and in ministry. It is especially important to us to raise up disciples of our Lord Jesus Christ who will then continue making disciples wherever God leads them.

Please pray with us for every single one of the young people who have signed up (at the moment over 120), pray for all the preparations and organization, please pray for the CBS Young Adult team that will be coming from Belarus, Moldova and Slovakia to share their love for God and His Word with our young people and above all, please pray for God's Name to be glorified and honoured on this day.

Thank you for standing with us in praying for the youth of Serbia!
