**WEDNESDAY 1** Through our programmes, we aim to support the efforts of local institutions such as schools and the church to raise the education level of the Roma community and promote social responsibility among the locals. In addition, Perspective Danes intends to continue providing spiritual, educational and social support in the Sighisoara area through various projects. Liviu & Elena, Romania

**THURSDAY 2** If God allows, I need to travel soon to South Asia while my wife will be at home reaching out to women. We want to be humble, walking with him 'in spirit and in truth'. T & S, South Asia

**FRIDAY 3** Our time in the Bible school in Romania was much appreciated as Gareth delivered 20 sessions on a theology and history of missions. Perspective Danes, ROMANIA was founded by Liviu & Elena. They have 3 children; Claudia, Thomas and Mateo.

**MONDAY 6** The WINs' outreach ministry among the least reached will take place during the first and second week of this month. We are equipping women to be effective witnesses. For most of them, this is new, but they are starting to seize the opportunity to share their testimony as well as taking active roles in their church fellowship. Last month, we held sessions on mentoring. A, South Asia

**TUESDAY 7** We did outreach in Daudu – thank the Lord for the people who came to the meetings and ask the Lord to keep speaking to the people, showing them how he loves them and cares for them; may they draw close to him in this very difficult time in our nation. There is still agitation and many have lost their lives but people are not giving up. A number of them are now in internally displaced people's camps. We need your prayers. Naphtali & Gladys, Nigeria

## AMEN & FRIENDS

**WEDNESDAY 8** We testified to the grace and goodness of God to the community we helped with homes. Why? Because people themselves in the community had no one from the government or other churches that cared for them in the way we did. Glory to God alone! We are praying that through this effort; lives will be changed for Christ. Winston & Jannette, Philippines

**THURSDAY 9** On 'Mothers' Day', Perspectives Danes honoured mums with a special celebration. A lovely breakfast, inspiring stories, creative crafts and small gifts brought smiles and encouragement. These ladies face many challenges such as limited education and few job opportunities, yet, they keep going, giving their best for their children. The support they receive empowers them to have hope for a brighter future. Liviu & Elena, Romania

**FRIDAY 10** Our youth should certainly not be missing from the prayer list! Like most Romanians, they all believe in God, but that faith is covered by a thick layer of religion. At the same time, the world is pulling them hard. Tijs & Jessica, Romania

**SATURDAY 11** We are grateful to God that over the past six years, through "IsusMesija" project, we have reached more than 13,000 people with the gospel through social media. We are greatly encouraged that every day, people contact us with various needs through the different campaigns we create. By God's grace, and through your support and prayers, we are continuing this "Digital Evangelism". Please pray for more donors and that God would give us wisdom to know how to continue our conversations with these people as well as the many who keep writing to us. Sasko & Ira, Serbia

**SUNDAY 12** One of our church elders called Pandappa is 55 and does labour work. Last year, his son passed away and Pandappa moved to the home of his daughter who unfortunately is not taking care of him. Last month, as he was doing his job, a stone made of marble fell on his foot and fractured one of his bones. He is in great pain. S & B, South Asia

**MONDAY 13** We just celebrated Batanes Grace Ministries' 10th anniversary. God is faithful. In one of our activities, we conducted tract distribution which we called, 'Love in Action'. Letters and cards were given out to the people in the village of Uyugan. We pray the seed of the Gospel will grow in many hearts. Jerry & Gea, Philippines

**TUESDAY 14** Those who share the good news or pray for someone in open places are in danger of 7 years in prison and have to pay an extortionate amount of money. Despite this, we are visiting families one by one in their homes which is going against their rules. We will hold a service at Easter and will also be serving food. We want people to experience God in this special meeting. S & B, South Asia

**WEDNESDAY 15** "Therefore, encourage one another and build one another up, just as you are doing." 1 Thessalonians 5:11. We give thanks to God Almighty for His endless mercy and blessings upon our family. **THURSDAY 16** God has been blessing the ministry and raising up partnerships for Perspective Danes to make it even more fruitful. Give thanks to God. **SATURDAY 18** Thank God for our trustees; Chris and Sharon, Janet and Simon. They are fully committed to the work of AMEN, praying and serving you all. Give thanks to God for the gifts and donations received by our supporters and passed on to all our partners. Continue to ask for new donors and additional workers, who will help with the work.

**SUNDAY 19** Our team reached out to 110 poor children in songs, prayers, the sharing of God's Word and gift giving. We sought to inspire faith, reminding them of their inherent worth and dignity in Christ. There was genuine compassion, creating an atmosphere of joy and belonging. The children's smiles and gratitude were a powerful testimony to the impact of God's love in action. The church building is a great testimony too, situated just on the main road, where we were invited to pray for the sick and needy. Praise God! One was healed. N & S, South Asia

**MONDAY 20** Since the death of my sister-in-law 9 years ago, and the sudden death of their son last year, my brother has stopped coming to church. He now lives alone and has become physically weaker. Ask the Lord to show him his love and grace that he might be renewed in faith and healed from his grief and pain. I am doing well and thankful for every provision I have received from friends and family while I was going through medical treatments. A, South Asia

**FRIDAY 24** Those who take part and are involved in contributing to the development of future generations have just completed their training, receiving a certificate after 3 courses. **SATURDAY 25** Perica wrote to us at the beginning of the year, wanting to know how he could have assurance of salvation. After some time of communication, he wrote, "Thank you so much. Ask that God will reveal Himself to him and that the Holy Spirit will be his teacher as he reads the Bible. Sasko & Ira, Serbia

**WEDNESDAY 29** Milan and his son Tadija started reading the Bible together, but he is still not sure how he can become part of God's family. We talked about the Gospel of John and are praying that God will reveal His truth to him as he continues reading and communicating with us. **THURSDAY 30** LCES Village School: The 2026 session has started. We have 80 students enrolled and are expecting some students from families of internally displaced people from a border tribal village in a neighbouring nation. Please pray for their safe arrival. We are taking these young students and welcoming them, but their daily needs, tuition and boarding fees still have to be met. As we meet the needs of others, we want to trust the Lord to supply our needs and see his promises fulfilled. This will bring great joy, a testimony to our faithful God. A, South Asia
