Sharing the gospel to vendors in the streets of Tondo. Despite of the extreme heat, the volunteers endured it to be able to reach out people for the sake of the gospel. The story of the Prodigal Son which revealed the unconditional love of the Father. An old lady vendor cried while praying due to difficulty of life she is experiencing. She found hope in the Lord Jesus because of the truth revealed.

CBC SHARING

The famous Moriones Park in the center of Tondo became a place of truth. The Character Building Curriculum was discussed to the basketball players before their game. They actively listened to the Bible stories inside the module. As they continue to be sports enthusiasts it is a great opportunity to grow spiritually as well.

YOUTH FELLOWSHIP

The Lord is good especially in the lives of the scholars they attended the youth fellowship and Bible Study. They earned very good grades and thankful for their teachers and to our leaders for guiding them academically but most specially in their spiritual journey. They embraced God's promise in Jeremiah 29:11 "For I know my plans I have for you (says the Lord) plans not to harm you but to give you hope and a future."

CORE GROUP

Identity Youth Camp came together through the leadership of the SIKATT core. Pastor Zaldy and Engineer Gideon were the plenary speakers during the sessions. Knowing our true identity is found only in our relationship with our Lord Jesus Christ. Many youth were enlightened because of sessions and sharing time where they found they are not alone. The promised of God that He will never leave you nor forsake you.

FIRST IN HIS FAMILY TO HAVE A DEGREE

Kris a SIKATT scholar recently graduated as Library Information Science. He is the first in his family to earn a degree. He acknowledged that only by the grace of our God he was able to finish it. He came from a struggling family; his parents don't have stable source of income but because of the financial support and God's guidance he completed it.
