

Ministry Presentation
APRIL-MAY 2026

Faithful service, Growing together, Sharing God's love.

Batanes Grace Ministries Incorporated Church

Overview of Ministries

Throughout the months of January to May 2026, our church remained steadfast in our regular weekly ministries while also conducting special events and outreach missions to share God's love. Every Tuesday, we gather for Grace Youth Fellowship, and every Thursday is dedicated to baptismal classes followed by our Music Team ministry. On Fridays, our men meet for mentoring sessions while the ladies gather in discipleship groups or small groups for deeper fellowship and study. Every Sunday afternoon is filled with meaningful work as we engage in evangelism, children and youth ministry, and our special ministry to the police force. These consistent weekly gatherings served as the strong foundation for all the special activities and missions we accomplished during this season.

April: Summer Camp

BGMI CHURCH

At the start of April, we held a five-day summer camp that became a powerful time of spiritual refreshment and growth for all attendees. We were blessed to have Pastor Philip Canuto Jr. as our guest speaker, who led us through deep Bible teachings, inspiring worship sessions, small group discussions, and team-building activities. During this retreat, many participants renewed their commitment to follow Jesus more closely, while our youth and leaders grew stronger in their faith and friendships. This time of preparation in God's presence spiritually equipped our team for the outreach missions and ministry work that followed immediately after the camp.

April: Vacation Bible School

BGMI CHURCH

Right after our summer camp concluded, our team traveled to the municipality of Uyugan to conduct a week-long Vacation Bible School across four key barangays: Centro, Songsong, Itbud, and Imnajbu. We brought the message of salvation and God's love directly to the communities through Bible storytelling, joyful songs, creative crafts, and fun games designed for children. It was a beautiful opportunity to plant seeds of faith in different neighborhoods throughout Uyugan.

April: lecture series; The book of Revelation

Later in April, we were honored to host Pastor Ac Acosta for a special one-week lecture series focused entirely on the Book of Revelation and the things that will happen in the last days. His teachings helped us understand prophecies and future events clearly, correcting misunderstandings and giving us confidence in God's perfect plan for history and eternity. Believers and guests attended daily sessions to learn how we should live faithfully today while we wait for the return of Christ, leaving everyone with a deeper understanding of Scripture and greater hope in God's sovereignty.

April 26, -May 02: Sabtang Mission

We embarked on an extensive mission trip to the island of Sabtang where our team carried out multiple ministries to reach every household possible. We conducted Vacation Bible School in Barangay Savidug and Barangay Centro, teaching children and families about God's truth in their own communities. At the same time, other teams traveled to the farther barangays of Nakanmuan, Chavayan, and Sumnanga to distribute free copies of the Bible, conduct personal evangelism, and perform Bible surveys in every single house in the municipality. Through this comprehensive mission, every family in Sabtang received God's Word and heard the Gospel message personally, creating new connections for future discipleship and ministry.

Gratitude

All the work accomplished from January to May belongs entirely to God, and we give Him all the glory, honor, and thanks for His provision, protection, and guidance throughout every step. We also express our deepest gratitude to all volunteers, leaders, and supporters who generously gave their time, resources, and prayers to make these ministries possible, as well as to our brethren and partner churches for their love and fellowship. As we look ahead to the months from June to December 2026, our focus will remain on continuing weekly discipleship, following up with new contacts from Uyugan and Sabtang, planning more outreach activities, and deepening our love for God and for our neighbors.

BGMI CHURCH

Thank You and God Bless

“Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.” — 1 Corinthians 15:58
