TESTIMONIES

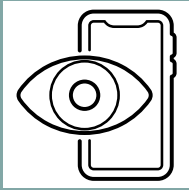

Aleksandra wrote to us, sharing her very complicated and painful family situation. She has made many choices that have deeply hurt her husband and family, and now she feels lost and unsure how to move forward with her life. We were able to share the Gospel with her and remind her that God is faithful to forgive and completely cleanse her from all sin and unrighteousness if she comes to Him in repentance and asks for His forgiveness and grace. She said she would do so, but we have not heard from her since. Please pray for Aleksandra, that she will surrender her life to God and experience His forgiveness, restoration, and new life in Christ.

Dana contacted us about her niece, who struggles with alcoholism and is at the center of a very difficult family situation. Dana has tried to help her niece, but without success. The entire family has been deeply affected, leaving relationships strained and broken. We sought to encourage Dana in the Lord. She identifies as an Orthodox believer but does not have a personal relationship with Jesus Christ. Although she said she is familiar with God's Word, we encouraged her to begin reading the Scriptures daily and to seek help from our loving Heavenly Father. When she mentioned that she has serious vision problems, we sent her an audio Bible and encouraged her to listen to God's Word each day. Please pray with us for Dana, that the Lord will reveal Himself to her in a personal way and bring restoration, healing, and new life to her family.

Zdenko wrote to us seeking advice on how to stop drinking coffee. He shared that it has become a burden in his life and that he feels dependent on it. As our conversation continued, we began talking about faith in God. He explained that he attended religious classes as a child and has some knowledge of the Bible. We encouraged him to pursue a personal relationship with the Lord by reading the Scriptures prayerfully, listening expectantly for God's guidance, and obeying His Word. Please pray for Zdenko, that he will come to know Jesus Christ as his Lord and Savior, fully surrender his life to Him, and find freedom from his dependence on coffee.

Petkana contacted us because her son struggles with alcoholism. She desperately wants to help him but does not know how, especially since he is unwilling to accept help. During our conversation, we encouraged her to pray faithfully for her son, asking God to open his eyes and help him recognize the destructive path he is on. She told us that she prays for him day and night, yet she has never read the Bible herself. We offered to send her a Bible as a gift, but she was hesitant to share her address, so we sent her an audio Bible instead. Please pray for Petkana, that God would create in her a deep hunger and thirst for His Word and draw her into a saving relationship with Jesus Christ. Please also pray for her son, that God would bring conviction, repentance, and freedom from alcoholism.
