

Dear brothers and sisters,

Unfortunately, official statistics in Serbia increasingly show that the number of people addicted to drugs, gambling, alcohol, and medication is steadily rising. Guided by these alarming statistics, we decided to launch a media campaign in order to help individuals struggling with addiction and their families.

We recorded 10 testimonies of former addicts whom God has delivered, and who today live transformed lives and serve others. Over the past three months, through four ads on the “Isus Mesija” page, a large number of people contacted us seeking help.

With each person, we shared the Gospel and pointed them to Christ as the way to true and complete freedom. Those who were interested were directed to local Christian rehabilitation centers.

Please pray for us, that God would give us wisdom to know how to continue our conversations with these people and many more who keep writing to us.

May [this attached report](#) bless your hearts as it has blessed ours.
