

Update from SIKATT June 2026

Dear AMEN Family,

The situation in the Middle East continues to create global uncertainty, resulting in rising oil prices. In the Philippines, electricity costs have increased, and many communities have experienced water interruptions due to limited water supply. These challenges continue to make daily life more difficult for many Filipino families.

At the same time, more young people are becoming involved in crime and violence, creating growing concerns for our schools and communities. The need for campus missionaries, Christian mentors, and dedicated volunteers has never been greater.

Yet in the midst of these difficult circumstances, we hold firmly to God's promises of hope, peace, and comfort. Our greatest joy remains serving Him and sharing the love of Christ, knowing that our deepest purpose is found in Him.

Praise God!

* Praise God for the opportunity to share the Gospel with children in Quezon City through our weekly reading classes.

* Praise God for the provision of school supplies and hygiene kits that were distributed to the children.

* Praise God for our growing partnership with Elevate Youth in discipleship and fellowship.

* Praise God for the active participation of our scholars in Bible studies and fellowship gatherings.

Please Pray With Us

* As July is Nutrition Month, pray for our upcoming Feeding Programs that will provide practical help to children and families in need.

* Pray for God's provision as we distribute food packs and hygiene kits to underserved communities.

* Pray that God will raise additional volunteers to help lead campus Bible studies and disciple the next generation.

A Personal Update from Ria

I (Ria) would like to sincerely thank you for your prayers and generous financial support for my biologic medication. By God's grace, the treatment has been effective. My joint pain has significantly decreased, my skin has greatly improved, and my laboratory results have shown encouraging progress.

Please continue to pray for God's provision for my monthly maintenance biologic medication and for continued healing and strength as I serve alongside the ministry.

Thank you for standing with us in reaching and discipling the youth of Tondo. Your prayers, encouragement, and faithful partnership are making an eternal difference in many lives.

"Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain." — 1 Corinthians 15:58 (NIV)

With gratitude in Christ,

Ria & Zaldy
