

Dear AMEN family,

It is rainy season here in the Philippines. Classes were suspended in the National Capital Region, and sadly, many areas experienced severe flooding.

Some of our brethren, including families living near the church in Quezon City, were affected by the floods. We also have a family who recently became victims of a house fire. Their home was completely burned, and they were able to save nothing except themselves. Despite this difficult situation, they remain thankful to God for sparing their lives. They are now facing the challenge of rebuilding their lives and meeting their immediate needs.

Because of this, we will be conducting donation drives to help our affected brethren and somehow provide support during this difficult time. In all these circumstances, we continue to trust that God is in control of everything.

\*\*\*"God is our refuge and strength, a very present help in trouble."\*\*\*

— Psalm 46:1

We praise God for the different ministry activities that have taken place:

- Distribution of school supplies for children.
- Feeding Program with Jephtha and his team from India. Their team shared their testimonies with the children, while SIKATT provided food and food packs.
- Youth Fellowship was canceled because of the flooding, but by God's grace, we will continue it this Saturday.
- Bible studies continued despite the rain.

Please pray for the following:

1. Provision for the donation drives for families affected by the flooding and fire.
2. The Bible Basketball on September 12, that it will reach and bless many sports enthusiasts.
3. The continuation of Youth Fellowships in partnership with Elevate Tondo, that more young people will be reached and encouraged.
4. The start of the fundraising campaign for "Hope in Every Box," our Christmas project that aims to provide Noche Buena packs to 100 families in need.
5. Provision for Ria's psoriasis medication, trusting God for His continued provision and care.

Thank you for continually praying, supporting, and standing with us in the ministry.

In all these things, may God be magnified and glorified!

“I will bless the LORD at all times; his praise shall continually be in my mouth.” — Psalm 34:1

God bless you all.

## Nutrition Month Community Feeding Program

It was more than just feeding hungry tummies it was nourishing hearts and souls.

Through our community feeding program, we shared nutritious food, food packs, hygiene kits and lessons on proper hygiene and healthy food choices. Most importantly, we had the privilege of sharing the Good News of salvation through Jesus Christ.

Physical food nourishes the body, but Jesus is the Bread of Life who nourishes the soul. We were blessed to partner with our brethren from India who shared their testimony and the word of God with the children.

Thank you to everyone who gave, served, prayed and shared in this ministry. Together, we can feed the body, care for the community, and lead hearts to Jesus.

## Kids Coming Back for Classes

Our Reading Classes for Kids are more than just learning to read. Through Bible stories, Scripture memorization, Christian Songs and creative activities, children are encouraged to grow in wisdom, faith, character and maturity.

Every story teaches a lesson, every verse plants God's Words in their hearts and every activity creates an opportunity to learn and grow.

We teach them to read, but more importantly, we help them to learn to live with faith, love and purpose in Jesus Christ.

"Let the little children come unto me, and forbid them not: for of such is the kingdom of God." Mark 10:14

## Succes in Resources is a TOTAL SURRENDER to GOD

During the Youth Fellowship at Elevate Tondo, Pastor Zaldy shared a powerful reminder that success in resources is not measured by the amount of money we can give to God but by the depth of our total surrender to HIM.

We are called to:

**Prioritize God First-** Putting God above our possessions, plans and dreams.

**Exercise Wise Stewardship-** Managing faithfully and wisely everything God has entrusted us.

**Release Our Resources for God's Purpose-** Using what we have not only for ourselves but to bless others and advance His Kingdom.

**Abide in God as Our Provider-** Trust that everything we have ultimately comes from Him and that He is faithful to provide according to His will.

As He promised in Matthew 6:33 "But seek ye first the kingdom of God and his righteousness and all these things shall be added unto you."
