PRAYER UPDATE

September 2026

TUESDAY 1 Ricky, our eldest son, is onboard Logos Hope serving in media related work while his brother Erick is currently pursuing his undergraduate studies in psychology, journalism and English literature. Please bring them before our Lord who graciously provides. Roy & Ponna, South Asia

WEDNESDAY 2 This past week has been terrible for the people living in the border of Nepal and Tibet. A major glacier flood covered 22km of land in under 7 minutes killing more than a 1000 people with 4500 still missing. We are planning on partnering with workers on the ground. We believe that prayer changes everything and together we can create an impact. Please lift up the region in prayer, asking for comfort for the bereaved and for those who have lost all their possessions plus strength to rebuild. May the Lord provide the needed resources. T & S, South Asia

THURSDAY 3 Samuel and his wife have taken over the day to day running of the ministry with John (Samuel's father) guiding them after the passing of his wife Asha. They continue the work among children and teenagers. They are facing challenges. Someone made a complaint about their ministry. Daniel, the younger son of John, has just got married. Remember them and their needs before the Lord.

FRIDAY 4 We are with our church planting team in Tangke, Cebu comprising Floripin, Noralyn, Manchester and Juna. We want to overflow with love, wisdom and grace. We need favourable weather, good health and insight into God's Word in every opportunity we have to proclaim the truth, plus the shield of faith against demonic attacks and distraction. Winston & Jannette, Philippines

SATURDAY 5 We are conducting discipleship training follow-up this month and will be travelling to two major cities meeting up with trainees. N & S, South Asia

SUNDAY 6 Give thanks to God for the Mega Youth Revival Camp last month which was greatly blessed. The main focus was to see 'Daniels and Esthers' rise up from the youth. Let us uphold them in prayer that they may live out the purposes of God in their generation even to seeing all their needs and VMM's met by our Great Provider. D & J, South Asia

Erick, Ponna, Roy and Ricky,
South Asia

MONDAY 7 Remember our trustees: Chris and Sharon, Janet and Simon as they attend to the charity needs to keep it legal and for the regular communications between the trustees and the partners around the world.

AMEN & FRIENDS

TUESDAY 8 Our student workers in the north are reaching new and remote villages which are difficult to access. Through various social and community activities, they can share God's love. The provision of bicycles and motorbikes is a tremendous help. We need 5 more motorbikes. Although it is a considerable distance to travel, my visits to the north bring great encouragement to our workers. God has always provided for travel needs; ask the Lord to do it again.

R & P, South Asia

WEDNESDAY 9 Pray for the shoebox coordinators all around the UK as they promote and encourage people of all ages to be part of it and to respond generously, to be stirred with love and compassion. Ask the Holy Spirit to touch those who will receive these gifts, that they will know they are loved by God and will grow spiritually and be transformed in their families and their communities.

THURSDAY 10 I have come to set the captives free Luke 4:18. The foundational work has begun for a building aimed for the propagation of the good news of Christ among the vulnerable as well as for the purpose of a venue where we can conduct 'Anguish prayer' and a meeting place for believers. We are building brick by brick as the Lord provides. Donors for the construction costs and also running costs for the centre is a prayer point. This is of great spiritual significance in the kingdom of God in a place where the gospel still has to reach many. It is in a neighbouring nation just across the border. We intend to be a lighthouse of the Lord to surrounding hills, villages, and impoverished communities that are significantly affected by human trafficking and evil strongholds. People are bound in superstitions and enslaved in appeasement of demonic deities and the flesh trade. T & S, South Asia

FRIDAY 11 Thank God for the persistence and commitment of Grace & Light team leaders in leading the various teams in ministry engagement. Ask God to renew their zeal and grant them wisdom in carrying team members along for the progress of the work in their respective areas. Tassie, Nigeria

SATURDAY 12

Praise God! Elion Media is a tool supporting ministries like pro-life; promoting testimonies of lives changed by addictions; Jesus the Messiah, an online platform, reaching people via the internet and recently, the opening of Joni's house in Opovo. Sasko & Ira, Serbia

South Asia

SUNDAY 13 Give thanks to God for the area crusade we held in Akun development. Give thanks for God has caused the Zaki (the chief) of the community in one of the tribes to give his life to our Lord Jesus Christ. Naphtali & Gladys, Nigeria

MONDAY 14 We have now got a cabin onboard Logos Hope until we leave in November. Thank you for praying. We continue to do ministry in the different ports we sail to. Jesus' anointing is needed in every opportunity, whether it be giving tours to local people who visit the ship, one-on-one talks or preaching because without Him, we can do nothing.

TUESDAY 15

SIKATT, Philippines prayer points:

1. Provision for the donation drives for families affected by the flooding and fire.
2. Bible Basketball on September 12th to reach sports enthusiasts.
3. For the youth to be reached and encouraged through the partnership and fellowship of 'Elevate Tondo'.
4. The start of the fundraising campaign for "Hope in Every Box," our Christmas project that aims to provide 'Noche Buena' packs to 100 families in need.
5. Provision for Ria's psoriasis medication while trusting God for His continued provision and care.

AMEN & FRIENDS

WEDNESDAY 16 Remember the different ongoing activities we are engaged in such as children's ministry where we offer free tutorials, charity and social outreach among lepers and those suffering from disabilities. We also conduct an outreach to ladies where we now have about 250 joining our prayer meetings via Zoom; we want to offer 100 Bibles as the Lord provides. R & P, South Asia

THURSDAY 17 Those who pray, give and volunteer keep the charity going. Thank the Lord for each person involved in AMEN that they will know the Lord's faithfulness in their own lives and families.

FRIDAY 18 Our son Asher will start his formal training soon with the Philippine Coast Guard. For a few years now he hasn't had the open door to fly for MAF which he really wanted but the Lord knows best. Pray also for our 2 daughters; Ariel and Anya and strength for us as we go through health challenges. Winston & Jannette, Philippines

SATURDAY 19 Intercede for pastors and lay leaders serving the tribal churches for their spiritual growth; for more people to respond to the Gospel call and for needs in the tribal area such as additional hand pumps that will provide clean drinking water for families. N & S, South Asia

SUNDAY 20 Our daughter Abigail is preparing intensely for her final semester exams to complete her 3rd year in Economics to stay supported through the government budget. We, as a family, have been given a deadline of moving out of our rented apartment by November 11. Our search for a new home and a space for Elion Media studio is going on slowly. Please pray with us. Sasko & Ira, Serbia

MONDAY 21 We have been facing many difficulties conducting Sunday services in rented homes. From this month, a local church has allowed us to use the premises on Sunday evenings. We are looking for a permanent place of worship and ministry. At the end of this month, we were supposed to leave the flat where we are currently living. But, by God's grace, our landlord's plan to sell the flat has been cancelled and we can stay for a few more months. S & B, South Asia

PRAYER UPDATE

September 2026

We have recently started a free tutorial for the children.
South Asia

TUESDAY 22 There is a severe punishment for conversion alleged to involve force, coercion, fraud, misrepresentation, undue influence, or allurements, including imprisonment and fines. Because of this situation, ministry can become challenging and risky. Wisdom, courage, protection, and grace to continue sharing the Gospel faithfully is what we ask for in prayer. S & B, South Asia

WEDNESDAY 23 "God is our refuge and strength, a very present help in trouble."
Psalm 46:1

We have a family who recently became victims of a house fire. Their home was burned down and they were able to save nothing except themselves. Despite this difficult situation, they remain thankful to God for sparing their lives. They are now facing the challenge of rebuilding their lives and meeting their immediate needs. Because of this, we will be conducting donation drives to help our affected brethren and somehow provide support during this difficult time. In all these circumstances, we continue to trust that God is in control of everything. Ria & Zaldy, Philippines

AMEN & FRIENDS

THURSDAY 24 We are awaiting the result of our organisation's registration which we are told is still in process. Last year, our country suffered from devastating floods. At present, we are starting to experience the same phenomenon, for already, over 50 villages have been ordered to vacate by the government. N & S, South Asia

FRIDAY 25 "Joni's Home" in Opovo has just been opened. It was not only the doors of a building that opened but a door of hope opened for the many who live with disabilities. Here, families will find support in movement and exercise, friendship, community, counsel, encouragement, dignity and belonging. Let's ask the Lord to help us do just that, from the leaders to the volunteers plus the families who will come to us. Every gift, every prayer, every word of encouragement is built into this home. If you have ever been part of this story, you are part of that moment too.
Sladjan & Jaroslava, Serbia

SATURDAY 26 Praise God with us at SIKATT for the different ministry activities that have taken place including distribution of school supplies for children and a feeding programme with Jephtha and his team from India. Their team shared their testimonies with the children while SIKATT provided food and food packs. Youth fellowship and Bible studies have resumed after severe floods that affected many of our brethren.
Ria & Zaldy, Philippines

SUNDAY 27 Health and safety is a gift from God we cannot ignore. It is a constant need in a tense environment where peace and the longing for normality to be restored in our state is a prayer. My travelling to different states to attend to different activities have increased, such as conferences, meetings, school visits and family. Ask for God's anointing for me. A, South Asia

MONDAY 28 By God's grace, we continue to visit people house to house and share the Gospel. Please pray hearts will be open to the Word of God and that many people will come to know Jesus Christ. S & B, South Asia

PRAYER UPDATE

September 2026

The work in the north continues to move forward.

TUESDAY 29 AMEN will be organising mission trips to South Asia and Romania. We want the right people to join these trips and that all the planning involved will make it successful.

WEDNESDAY 30 Pray that those who will receive the Autumn newsletter this year will be encouraged by the stories of God's faithfulness to AMEN. Simon (trustee) and Ann will be working on the newsletter together with the trustees. Thank the Lord for the donations that have come as a response to the Summer AMEN newsletter. The need for new donors and younger people to become part of AMEN is an ongoing prayer request.
