PRAYER UPDATE

NOVEMBER

SUNDAY 1 Thank God that two children have committed their lives to Christ. An eight year old boy is so joyful after accepting the Lord. His father is a drunkard, beating his mother and him. He is reading the Bible and praying. One of his aims is to become a pastor and help others. He was a child labourer whom we redeemed by giving some groceries to his family and sending him to school. R, South Asia

MONDAY 2 Some of our ministry members experienced a devastating tragedy when a huge fire destroyed their homes. They lost almost everything, leaving them with the difficult challenge of rebuilding their homes and starting over again. May they know that God provides an answer to prayer through the people extending a helping hand and that as a result they will grow in their faith. Ria & Zaldy, Philippines

TUESDAY 3 A transit home, to be a place for proclaiming hope, is under construction, covering 6 districts between 2 nations. This area is a critical hotspot for human trafficking. The region is an evil spiritual stronghold of demonic deities. The outreach is an extension of GB road, bringing hope to suffering women. Young women, men and children are forced into the hands of fraudulent recruiters. Due to chronic poverty, lack of employment and local livelihood opportunities, these people are vulnerable. This new place will grow sustainable food. Other projects will involve micro farming, backyard poultry etc. It will also be used for 'anguish prayer meetings' and will be a lodging place for those who need somewhere to stay.
T & S, South Asia

WEDNESDAY 4 Ministry is being organised and planned for a teaching trip to Pakistan this month. David & Rodica, Romania

THURSDAY 5 Ask the Lord to help us with the necessary requirements so that the foundation can obtain a charity account in our country. N & S, South Asia

Rani and Jeyakar

FRIDAY 6 Please continue to pray for all the children, for Joseph's medical needs and for him, his wife and daughter to be kept strong in faith and for the truth to be clearly heard.
Stephen & Anne, UK

SATURDAY 7 Uphold our sister T in South Asia together with her husband and 2 daughters in this very difficult time of her illness. In particular, remember the follow up check-ups, side effects of medication and the procedures that result in physical weakness. Several hospital visits are planned.

SUNDAY 8 Give thanks to God. One of our sewing women who was very sick with cancer is now healed and continuing her sewing. The doctor told her that there is no sign of cancer! She started witnessing about Christ. R, South Asia

MONDAY 9 We will be finishing our time on MV Logos Hope this month in the Isle of Man after almost 6 months onboard in mostly UK ports. We have seen many answers to prayer, testimonies and open doors for ministry. We will be home briefly before flying to South Asia where Gareth will be continuing a series of teachings he started earlier in the year. Then we fly to the Philippines where we will spend time with Malou's 91 year old mum plus ministering in Batanes island.

TUESDAY 10 The theme for this year's 5 days convention on the hills of Agbhor is 'Give me a new heart'. Every November, thousands of people come to this convention, sleeping under the stars, away from the villages and towns and gathering to seek God Almighty who has met their need of humility, forgiveness, restoration, cleansing, holiness and hope in his Son the Lord Jesus Christ. Without any fundraising, people come sacrificially contributing to the food and other provisions and only trusting in him. Pray with us as we prepare for this event but, above all, that we hear from the Lord. Naphtali & Gladys, Nigeria

WEDNESDAY 11 AMEN collected 3,124 shoeboxes in the UK for Christmas last year to Roma communities in Romania, a record number. A team from AMEN distributes these family shoebox gifts and food parcels to children and needy families. Pray for this year's partnership with churches and friends of AMEN to share the love and hope of Christ in abundance this 2026.

THURSDAY 12 Thank you for your prayers for our monthly trips to Chernovitz, Kharkov and Odessa in Ukraine. We have relationships with several churches, partnering in preaching the gospel and planting churches in nearby areas. We labour with Jesus bringing food, encouragement, ministry and teams locally and internationally. David & Rodica, Romania

FRIDAY 13 It is very important for parents of teens to give correction, instruction, motivation and praise as a means of relational development through bonding, rather than always using confrontational methods. Pray also for teenagers who have just graduated from Sunday school to adult church to adjust to the new patterns of worship, not becoming mere spectators. Tassie, Nigeria

Reaching out to women and children in South Asia

SATURDAY 14 I left on October 9 for our province, Sultan Kudarat, in Mindanao, for the second time. By this time, my brother Neil had succumbed to death five days prior. I was feeling exhausted - body, soul and emotion….and sleep evaded me. The weather also was too hot. With all the meetings with friends and relatives, it was very challenging. I had to ask God for grace each day in order to sustain me. Our hearts in the family were filled with sorrow. On the last night that a video about him was shown, we all wept. But it was bitter-sweet. Bitter that he had to go and leave us for a short while, but doubly sweet since he was going to God for eternity. Please remember Jannette who pulled a muscle in her right leg causing a lot of discomfort and pain. Winston & Jannette, Philippines

SUNDAY 15 Mark and Josiah are leading the small group of believers in the Sabtang Island outreach. Ask the Lord to bless these two leaders that they may be constantly filled with the power of the Holy Spirit in wisdom and love and that the people will be grounded in the Word, become mature in faith, and follow where He leads. Children praying for their needs in South Asia

MONDAY 16 We are urgently in need of the right house to rent for the sewing school. The house owner of our current rented place gives lots of trouble to us. Landlords often do not want gatherings like prayer meetings in their home. Pray for God to surprise us with a gift and provide us with a meeting place by January 2027. R, South Asia

TUESDAY 17 We desire to see ongoing spiritual fruit from the meetings we have taken and the raising up of more labourers in the harvest field. We need protection for our team and complete healing for my family from the trauma we went through - the assault from thieves and kidnappers. Remember our brothers and sisters too. Naphtali and Gladys, Nigeria

WEDNESDAY 18 Kindly remember my involvement this month in the women's Bible study and in fellowships, prayer retreats and several meetings. A, South Asia

THURSDAY 19 *"Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all"* (2 Cor. 4:16-17). In the next two months, I have decided to take a break from ministry in order to get some rest and to attend to my medical needs. Winston & Jannette, Philippines

FRIDAY 20 Remember our AMEN trustees: Chris and Sharon, Janet and Simon as they meet regularly to discuss, review, and respond to partner requests and other matters.

SATURDAY 21 Every month, AMEN partners and friends of the charity faithfully pray. May their love abound more and more in knowledge and depth of insight, so that they may be able to discern what is best and be filled with the fruit of righteousness that comes from Jesus Christ.

SUNDAY 22 We cannot take for granted the protection of each of our partners and their team members together with those who support and help them in Africa, Asia and Eastern Europe. Give thanks to the Lord for the hedge he has put around them and for his angels who watch over them. Instead of fear, may they know confidence in the words of Jesus: 'I will never leave you nor forsake you'.

MONDAY 23 Pray that the 35 first year students who are new believers will actively engage with the Inter Varsity fellowship and also experience the power of God's Word in their quiet times. We also want to see senior students setting godly examples and mentoring their juniors. There are students struggling with academic stress and the high expectations placed on them. A, South Asia

AMEN & FRIENDS

TUESDAY 24 A family is willing to pay the house rent for a new sewing school but for this project to open we need machines, a cutting table, 4 chairs, a cupboard and tailoring and special artwork embroidering equipment. R, South Asia

WEDNESDAY 25 A constant prayer request is for our family's health and safety for all of us in our fellowship as we regularly travel to the last village in the island where the ministry is based. Weather conditions can become stormy and winds can pick up on the roads by the cliff. Stones can fall onto the roads which is risky for motorbikes. Jerry & Gea Philippines

THURSDAY 26 During a recent power outage that lasted for several hours, the hand pump we installed became a vital source of water for both Christian and M families in the community. Whenever people collected water, it gave an opportunity to spend time with them, build relationships, and share the love and message of Christ. Many people have experienced healing and received help through this ministry. One hand pump has opened doors for hundreds of people to hear about Christ. We are going to install another hand pump in a Christian village where Christians and Ms live together. Pray it will be another open door for the Gospel. N & S South Asia

FRIDAY 27 Thank God for those who leave a legacy for AMEN. Pray that more people will be encouraged to do the same to bless the nations the charity is partnering with: Nigeria, Philippines, South Asia, Romania and Serbia.

SATURDAY 28 We are grateful to share that the medication has been working well in managing psoriasis and psoriatic arthritis. Praise God for this improvement! However, the medication is very expensive, and we continue to face financial challenges in sustaining the treatment. Please join us in praying for government assistance to the cost of the medication so that it becomes more affordable and that the treatment can continue without interruption. Ria & Zaldy, Philippines

PRAYER UPDATE

NOVEMBER 2026

After a sewing training, a woman was chosen to receive a sewing machine as a gift to get her started in earning money for her family.

SUNDAY 29 Trips to Bucharest to collect food donated from the Bread of Life charity and with funds for fuel have resulted in us taking over 7 tons of food to Ukraine. Over 850 bags of food was brought to the country and recently distributed to 22 villages. Two future trips are in the planning for both this month and December with 150 gifts to be given to an orphanage. David & Rodica, Romania

MONDAY 30 I will be ending my time onboard MV Logos Hope in February 2027. God has given me the desire to go to Bible school. I appreciate your prayers for wisdom and guidance. Ricky Roy, South Asia
