Dear Friends Greeting from Pakistan!

Family News:

We are grateful to the Lord for His mercy, grace, and favor throughout this month. God has been faithful to our family, and we continue to trust Him in every season of life. Joshua is currently taking his O-Level examinations, with one exam scheduled for November 5. Please pray for him to have wisdom, concentration, strength, and peace as he prepares for his exams. Kindly remember Jerome and Jonathan in your prayers as they will also be appearing for their class examinations. Please continue to pray for my health and for Sabahat's health, asking the Lord to strengthen us and grant us good health. We are also facing the ongoing challenge of meeting our family's increasing needs. We humbly ask you to prayerfully consider increasing your monthly support for our family, if possible. Your prayers, love, and generous support are a great encouragement to us and help us continue serving the Lord faithfully. Thank you for standing with us in prayer and partnership.

Monthly Pastors Fellowship along with families.

We had a blessed Biblical session for pastors and their spouses on Christian Family Life. The session focused on strengthening Christian families through biblical teachings, encouraging healthy relationships between husbands and wives, and helping pastors lead their families with love, unity, faith, and godly values. We thank God for this wonderful time of learning, fellowship, and spiritual encouragement. May the Lord continue to strengthen pastors and their families so they can serve as godly examples to their churches and communities.

Pastor Mubarak's wife shared that she feels blessed to be part of this family seminar, saying that such sessions are truly the need of the hour. She encouraged us to organize more seminars like this to strengthen families and build up believers in their faith.
